

Investing for Success

**Under this agreement for 2017
Clare State School will receive**

\$8198*

This funding will be used to

- Achieve 90% of all students achieving a C or better on their English Level of Achievement Data by the end of 2017.
- Achieve 50% of students in the Upper 2 Bands for Reading and Writing for both Year 3 and 5 students for 2017 NAPLAN.

Our initiatives include

- Embed the Embed Early Years Reading- Three Cueing System in P-2 class.
- Developing staff capability around unpacking English C2C Units to enhance their profession understanding of these units as well as their ability to communicate the demands of assessment tasks to students.
- Develop English Learning Walls to enhance the assessment literacy levels of all students.

Our school will improve student outcomes by

- Employ a STLaN to co-plan and co-teach English Units and lead professional development around unpacking English Units. \$7198.00
- Provide Professional Development for Staff around the Early Years Reading- Three Cueing System. \$1000.00
